Principal's Message

Parents and students,

Thank you for all your efforts to be good neighbors and great students this week. It is a blessing each day to watch the enthusiasm for life and learning that Vista students exemplify. As most of you are aware, the phone server went offline for a portion of this past week. While we currently have operating phones in the offices, many features of the phone server are not fully functional. For example, voicemail is currently disabled and any messages left over the last several weeks have been erased. If you need to leave messages, please send an email. If you are awaiting a response, please reach out again. We apologize for any inconvenience.

Sam Gibbs
Principal/Director
