VISTA CHARTER SCHOOL - MY FIRST CLASS

student
Online, Not In Browser

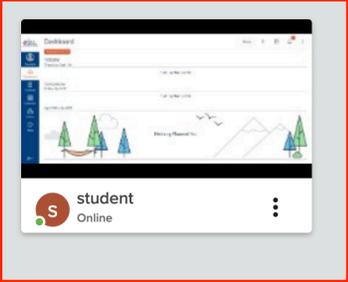

4

Chromebook screens will show up here. If students aren't on Chrome, then it will show up as "Online, Not in Browser."

The image shows a screenshot of a classroom management software interface. At the top, there is a dark header with the text 'VISTA CHARTER SCHOOL - MY FIRST CLASS' on the left and a user profile icon labeled 'BH' on the right. Below the header is a toolbar with various icons for settings, adding users, a grid, 'MD', and other functions. The main area of the interface is light gray. On the left side, there is a small window representing a student's screen. This window has a dark background with a white 'X' icon in the center. Below the window, a status bar shows a red 'S' icon, the name 'student', and the text 'Online, Not In Browser'. A large red number '4' is positioned to the right of the student window. To the right of the student window, there is a large red text block that reads: 'Chromebook screens will show up here. If students aren't on Chrome, then it will show up as "Online, Not in Browser."'.

VISTA CHARTER SCHOOL - MY FIRST CLASS

5 Screens will show up here. If students are on Chrome, then it will show up as "Online."

A screenshot of a classroom management system interface. The top header shows "VISTA CHARTER SCHOOL - MY FIRST CLASS" and a user profile "BH". Below the header is a toolbar with icons for settings, user management, a grid, "MD", a calendar, a laptop, and a shield. The main area contains a list of student status cards. One card is highlighted with a red border; it shows a student profile with a green dot and the text "student Online". The card also displays a small thumbnail of the student's desktop environment.
