FITNESS FOR LIFE

By the end of high school, students will be college and career ready, as demonstrated by the ability to plan and implement different types of personal fitness programs, demonstrate competency in lifetime activities, describe key concepts associated with successful participation in physical activity, model responsible behavior while engaged in physical activity, and fill a need for self-expression, challenge, social interaction and enjoyment.

Strand 1: Students will achieve a level of competency in motor skills and movement patterns.

- **Standard FFL.1.1** Participate in two or more specialized lifetime activities that promote health-related fitness.
- **Standard FFL.1.2** Demonstrate competency in two or more specialized lifetime activities that promote health-related fitness.
- **Standard FFL.1.3** Participate in activities that promote health-related fitness.
- **Standard FFL.1.4** Demonstrate competency in two or more specialized activities that promote health-related fitness.

Strand 2: Students will apply knowledge to attain efficient movement and performance.

- **Standard FFL.2.1** Apply the terminology associated with exercise in selected fitness activities.
- **Standard FFL.2.2** Create a practice plan to improve performance in fitness activities.
- **Standard FFL.2.3** Identify concepts regarding the structure and function of the human body and unsafe exercises.

Strand 3: Students will understand the components necessary to maintain a healthy level of fitness to support physical activity.

- **Standard FFL.3.1** Discuss the benefits of a physically active lifestyle as it relates to college/career productivity.
- **Standard FFL.3.2** Analyze and apply technology and social media as tools to support a healthy, active lifestyle.
- **Standard FFL.3.3** Evaluate the validity of claims made by commercial products and programs pertaining to fitness and a healthy, active lifestyle.

- **Standard FFL.3.4** Apply rates of perceived exertion and pacing to assess and track activity readiness.
- **Standard FFL.3.5** List and evaluate activities that develop specific elements of physical fitness.
- **Standard FFL.3.6** Identify challenges and risk factors that change with the aging process.
- **Standard FFL.3.7** Demonstrate appropriate technique in resistance training (e.g., machines and/or free weights).
- **Standard FFL.3.8** Analyze daily activities such as walking, climbing, lifting, and various household chores for their ability to provide functional fitness benefits.
- **Standard FFL.3.9** Design and implement a strength and conditioning program that develops balance in opposing muscle groups (e.g., agonist/antagonist) and supports a healthy, active lifestyle.
- **Standard FFL.3.10** Identify the different energy systems used in a selected physical activity (e.g., ATP-PC, anaerobic/glycolysis, aerobic).
- **Standard FFL.3.11** Identify the structure of skeletal muscle and fiber types as they relate to muscle development.
- **Standard FFL.3.12** Adjust pacing to keep heart rate in the target zone using available technology to self-monitor aerobic intensity (e.g., pedometer, heart rate monitor).
- **Standard FFL.3.13** Explain concepts of cardiovascular endurance, including maximum volume of oxygen uptake (i.e., VO₂ Max), respiratory rate, cardiac output, stroke volume, and heart rate.
- **Standard FFL.3.14** Explain the principles of active vs. passive recovery and injury prevention and rehabilitation.
- **Standard FFL.3.15** Identify types of strength exercises (e.g., isometric, isotonic, isokinetic, concentric, eccentric, intervals, circuits) and stretching exercises (e.g., static, PNF, dynamic, ballistic) and overload principle and work/rest ratio for personal fitness development (e.g., strength, endurance, range of motion).
- **Standard FFL.3.16** Explain the concepts related to muscular endurance (e.g., repetitions, resistance, sport specificity, overload principle).
- **Standard FFL.3.17** Explain the concepts related to body composition (e.g., the difference between being overweight and obese, genetic influences, and various ways to measure body composition).

- **Standard FFL.3.18** Describe how health-related fitness is a lifelong process unique to each individual.
- **Standard FFL.3.19** Identify genetic influences on body type, sedentary lifestyle diseases, muscle types, and rates of weight gain and loss.
- **Standard FFL.3.20** Identify personal and family history for known health-risk factors, such as age, gender, body composition, heart rate, coronary heart disease, cancer, diabetes, cholesterol, blood pressure, and daily stress situations.
- **Standard FFL.3.21** Compare aerobic and anaerobic activities, showing examples of each.
- **Standard FFL.3.22** Define overload, progression, specificity, and reversibility.
- **Standard FFL.3.23** Explain the role of nutrition in overall health and fitness.
- **Standard FFL.3.24** Relate physiological responses to individual levels of fitness and nutritional balance.
- **Standard FFL.3.25** Investigate the relationships among physical activity, nutrition, and body composition.
- **Standard FFL.3.26** Explain the consequences of eating disorders at either end of the spectrum.
- **Standard FFL.3.27** Create a snack plan for before, during and after exercise that addresses nutrition needs for each phase.
- **Standard FFL.3.28** Use technology to develop and maintain a fitness portfolio (e.g., pre and post assessment scores, goals for improvement, plan of activities for improvement, log of activities being done to reach goals, timeline for improvement).
- **Standard FFL.3.29** Use technology to design and implement a nutrition plan to maintain an appropriate energy balance for a healthy, active lifestyle.
- **Standard FFL.3.30** Use technology to track progress in fitness programs and to perform a nutritional analysis.
- **Standard FFL.3.31** Calculate blood pressure using digital monitors.
- **Standard FFL.3.32** Design a fitness program, including all components of health-related fitness, for a college student and an employee in the learner's chosen field of work.
- **Standard FFL.3.33** Review frequency, intensity, time, and type (FITT) guidelines to evaluate activities.
- **Standard FFL.3.35** Identify stress-management strategies (e.g., mental imagery, relaxation techniques, deep breathing, aerobic exercise, and meditation).

- **Standard FFL.3.32** Describe how exercise increases longevity and quality of life through stress reduction.

Strand 4: Students will develop cooperative skills and positive personal behavior through communication and respect for self and others.

- **Standard FFL.4.1** Accept differences between personal characteristics and the idealized body images and elite performance levels portrayed in various media.
- **Standard FFL.4.2** Compare the effects and/or dangers of weight loss and gain on body composition and personal health.
- **Standard FFL.4.3** Identify strategies for developing a healthy self-concept and acceptance of one's body make-up.
- **Standard FFL.4.4** Identify the benefits and dangers of various dietary supplements, such as vitamins, minerals, herbs, power drinks, steroids, performance-enhancing drugs, and substance abuse.
- **Standard FFL.4.5** Utilize time effectively to set personal goals, practice, and complete assigned tasks.
- **Standard FFL.4.6** Identify the effects of environmental conditions (e.g., wind, temperature, humidity, and altitude) on activity performance.
- **Standard FFL.4.7** Demonstrate safety precautions in training (e.g., over-training, altitude, pollution, and temperature extremes).
- **Standard FFL.4.8** Evaluate risks and safety factors that might affect fitness activity preferences throughout the life cycle.
- **Standard FFL.4.9** Identify appropriate risks and safety factors in the selection of fitness activities.
- **Standard FFL.4.10** Exhibit proper etiquette, respect for others, and teamwork while engaging in fitness activities.
- **Standard FFL.4.11** Assume a supportive role (e. g., spotter, providing feedback, analyzing technique, and partnering).
- **Standard FFL.4.12** Explain the effects of age, gender, race, ethnicity, physical makeup, and culture on physical activity preference and participation.
- **Standard FFL.4.13** Communicate with fellow participants to solve conflict without confrontation (e.g., bullying).
- **Standard FFL.4.14** Accept others' ideas, cultural diversity and body types by engaging in cooperative and collaborative movement projects.

- **Standard FFL.4.15** Walk away willingly to avoid verbal or physical confrontation in activity settings.
- **Standard FFL.4.16** Listen to all sides before taking action in solving conflict.
- **Standard FFL.4.17** Develop strategies to include others in activity participation.

Strand 5: Students will appraise the personal value of physical activity as a tool for wellness, challenges, and interacting with appropriate social skills with friends and family.

- **Standard FFL.5.1** Analyze the mental, social, and psychological health benefits of a self-selected physical activity.
- **Standard FFL.5.2** Choose an appropriate level of challenge to experience success and desire to participate in a self-selected physical activity.
- **Standard FFL.5.3** Select and participate in physical activities or dance that meets the need for self-expression and enjoyment.
- **Standard FFL.5.4** Identify the opportunity for social support in a self-selected physical activity or dance.
- **Standard FFL.5.5** Research sports and activities of other cultures.

PARTICIPATION SKILLS AND TECHNIQUES

By the end of high school, students will be college and career ready, as demonstrated by the ability to plan and implement different types of personal fitness programs, demonstrate competency in lifetime activities, describe key concepts associated with successful participation in physical activity, model responsible behavior while engaged in physical activity, and fill a need for self-expression, challenge, social interaction and enjoyment.

Strand 1: Students will achieve a level of competency in motor skills and movement patterns.

- **Standard PST.1.1** Participate in and/or refine activity-specific movement skills in five or more lifetime activities (e.g., outdoor pursuits, individual performance activities, non-traditional, aquatics, net/wall games, or target games) and/or in dance forms (e.g., cultural and social occasions, ballet, modern, hip-hop, tap).
- **Standard PST.1.2** Demonstrate individual competency through testing and participation in five or more lifetime activities and/or in dance forms used in cultural and social occasions.
- **Standard PST.1.3** Participate in aerobic and anaerobic activities that will promote health-related fitness.
- **Standard PST.1.4** Demonstrate individual competency in one or more aerobic and anaerobic skills that promote health-related fitness.
- **Standard PST.1.5** Employ offensive maneuvers to receive a pass in a game setting.
- **Standard PST.1.6** Accomplish efficient defensive understanding in a game situation by denying passing zones, or deflecting ball.

Strand 2: Students will apply knowledge to attain efficient movement and performance.

- **Standard PST.2.1** Demonstrate appropriate use of terminology associated with exercise and participation in selected individual-performance activities (e.g., dance, net/wall games, target games, aquatics and/or outdoor pursuits).
- **Standard PST.2.2** Organize the stages of learning a motor skill or identify examples of social and technical dance forms.

- **Standard PST.2.3** Identify skill-specific cues for a variety of physical activities.
- **Standard PST.2.4** Use movement concepts and principles (e.g., force, motion, rotation) to analyze and improve performance of self and/or others in a selected skill or dance movement.
- **Standard PST.2.5** Participate in a number of individual and team activities, demonstrating strategies and rules.
- **Standard PST.2.6** Identify safeguards regarding warming up and cooling down, hydration, and potentially hazardous exercises.
- **Standard PST.2.7** Observe and improve movement skills, using videography and digital photography to provide feedback and self-analysis.

Theater Usage Policy

1. Purpose

- a. The purpose of the Theater Usage Policy is to provide expectations for teachers and students who use Vista's proscenium theater. Student safety is the highest priority and with the many risks associated with the theater, this policy is being formed.

2. Policy

a. Facility Usage

i. Facilities include:

1. Control room
2. A/V areas
3. House (501 seat capacity)
4. Green rooms
5. Orchestra pit
6. Storage areas on Level 2 and Level 3
7. Tension grid
8. Catwalks (3)
9. Lighting areas

- ii. Users of the proscenium theater agree upon an "as is, where is" and are expected to accept the facility in the condition existing at the start of the usage and return it to the condition upon the end of the usage.

b. Availability and Scheduling

- i. Any teacher can make requests to use the theater spaces **during the school day** by filling out a request form made by the Performing Arts Director. The Performing Arts Coordinator will share the form with all teachers and manage events taking place.
- ii. During the school day, please fill out this form, [Theater Usage - CLASSTIME](#), to sign up for a time to use the theater space.
- iii. For any after school activities or performances, please sign up for a time to use the theater space using this form, [Theater Reservation Request](#).

c. Condition of Theater

- i. Usage of the theater spaces allow users to use the facilities on an "as is, where is" basis and are expected to accept the facilities in the existing condition.
- ii. Failure to leave the stage as found may result in non-approval of future requests.
- iii. The backstage hallway, stage, orchestra pit, and other theater spaces must remain clean and free of clutter.
- iv. For class usage, a teacher or adult supervisor must be provided. Monitoring students is a big responsibility.
- v. Depending on the time of year, school programs may have props or equipment on the stage, which shall not be moved without the approval of

the Performing Arts Director. In most cases, the stage will be clear of such items and should be left in the condition it was found.

- d. General Safety Responsibilities
 - i. Students working on technical crews and those rehearsing or performing in the theater shall be under the direct supervision of a teacher or adult supervisor.
 - ii. General stage safety rules shall be posted backstage in prominent locations.
- e. Student Training
 - i. Teachers shall select crewmembers based on their demonstrated dependability and responsibility.
 - ii. Only students and staff associated with a production shall be permitted backstage during rehearsals and performances.
 - iii. Students shall obtain parental permission to train for backstage work. All students interested in working on set construction, lighting, sound, or special effects shall successfully complete a safety-training program conducted by the theater teacher under the direction of the Performing Arts Director. The areas of safety training will include, but are not limited to, the following:
 - 1. General stage safety required of any crewmember
 - 2. The use and care of lighting and audio equipment
 - 3. Safe operation of all permanently installed theatrical equipment
 - 4. Set construction safety
 - 5. Power tool safety
 - 6. Catwalks
 - iv. Students are not permitted on catwalks or any upstairs area unless the teacher or adult supervisor is present on the catwalk with the student.
- f. Theater Equipment Usage
 - i. Equipment is to be operated only by qualified individuals, hired technicians, or trained staff or students so as to protect property and the safety of those in the theater.
 - ii. Lighting fixtures may not be removed, however lights may be added to the current plot and placed based on the needs of the production. All groups or users are required to return added light fixtures to their original settings or location in a reasonable amount of time. Groups and users will be held accountable for any damaged, broken, altered, or stolen lighting equipment. Please work with the Performing Arts Director on specific lighting requests of the theater.
 - iii. Sound in the theater is used for events, performances, and productions in the theater. It is a well-equipped system that should be operated by qualified and trained individuals. Groups and users will be held accountable for any damaged, broken, altered, or stolen sound equipment.

- iv. Video within the theater has the most digitally advanced applications for presentations, productions, and live performances. Please consult with the IT department or the Performing Arts Director for full capacity and usage of the video system.
- g. Catwalks
 - i. Access to the catwalks shall be secured at all times.
 - ii. Access to the catwalks shall be limited to trained employees and trained students under the direct supervision of the trained employee. The employee must be present on the catwalk when students are on it at all times.
 - iii. Staff and students working on the catwalks shall wear non-slip shoes and avoid wearing loose clothing.
 - iv. Tools or other objects shall be secured to their persons. All items shall be removed from these areas and properly stored when the work is completed.
 - v. All catwalks are protected with guardrails, midrails, and standard toe boards.
 - vi. Use of the catwalks should have a specific purpose. No student should be on the catwalks without the teacher providing clearly written and stated learning targets, along with success criteria listed as a checklist for all students ensuring clear expectations of safety and learning.
- h. Electrical Systems and Booth
 - i. Teachers or supervisors using electrical systems and/or booth shall inspect all electric cords, cables, and power tools prior to use for frayed or damaged wiring and for needed repair or replacement.
 - ii. Cables shall be stored and coiled in a safe place.
 - iii. Electrical cables shall be secured to floors with gaffers tape, if needed.
 - iv. Before leaving the theater area after any usage, rehearsal, performance, or work session, teachers or supervisors shall turn off or disconnect electrical circuits.
- i. Scenery and Construction
 - i. All scenery, set pieces, floor coverings, etc. shall be properly anchored and braced appropriately.
 - ii. Teachers or adult supervisors will supervise all student use of stepladders and shall use approved ladders and scaffolding rather than tables or chairs. Students shall be cautioned not to go higher than the second step from the top of any ladder, or against improvising any means of reaching greater height. Students are not permitted to carry loose items up a ladder or scaffolding.
 - iii. The use of glass is not permitted in set construction.
 - iv. All crewmembers using power tools shall receive training in their safe operation.
- j. Storage
 - i. Student safety is the primary concern for any storage arrangement.

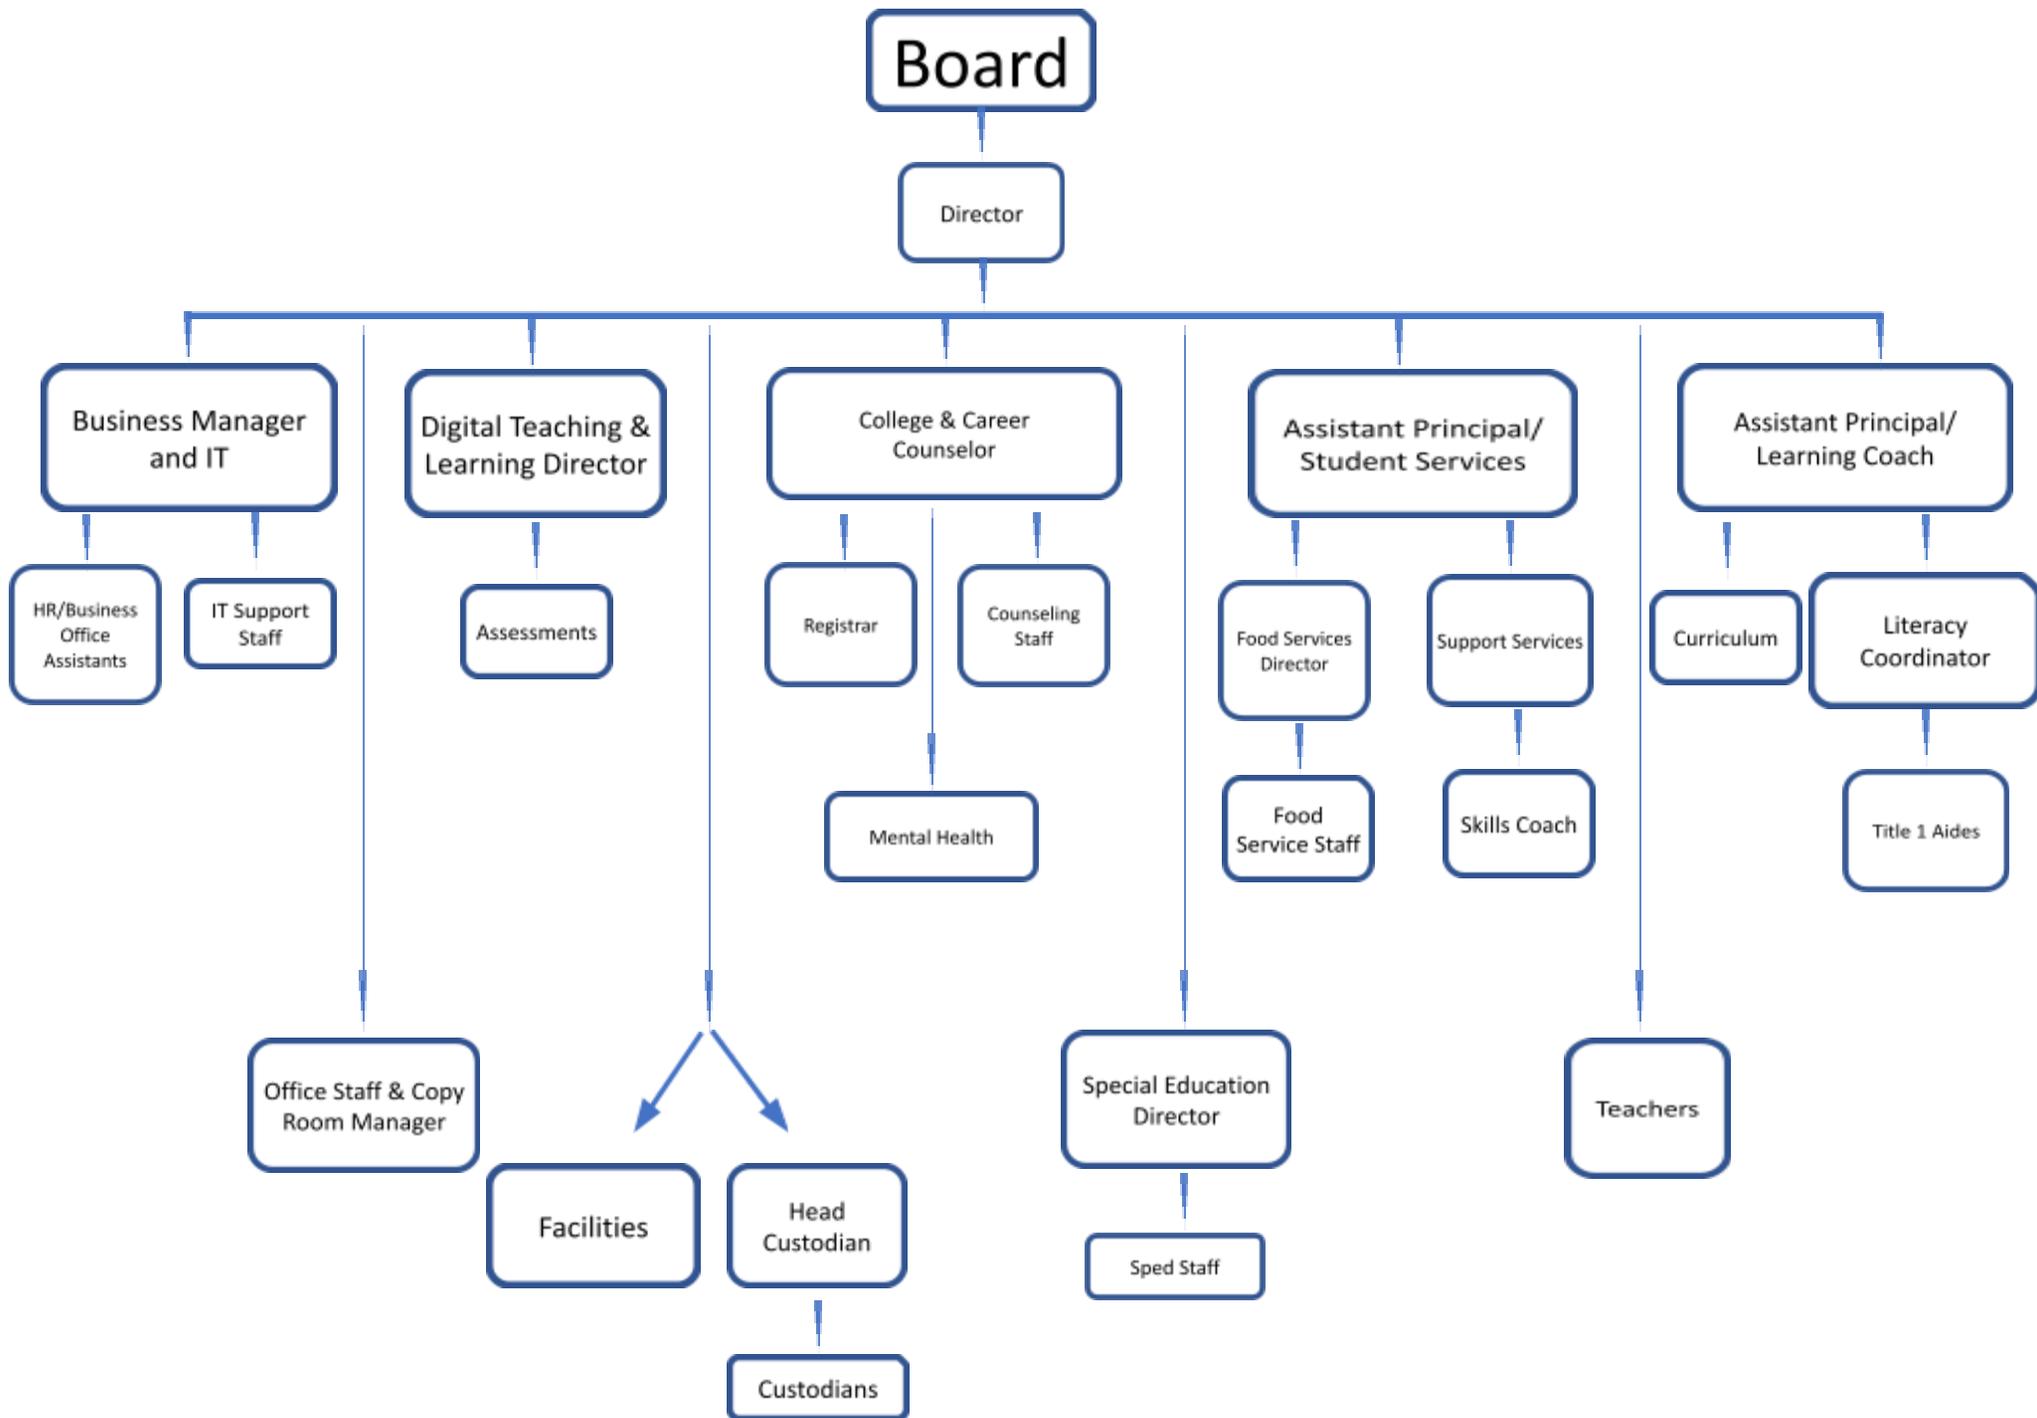

- ii. Backstage spaces shall be kept clean and organized at all times. Dispose of all trash and lumber scraps after each work session.
 - iii. Crewmembers are required to sweep the stage after construction work has taken place and before students are permitted to use it for rehearsal or performance.
 - iv. Scenery and equipment left on the stage during an extended event, performance, or production are subject to the approval of the Performing Arts Director.
 - v. All tools, equipment, paint, etc. should be stored in a safe and appropriate manner after each use.
- k. Merchandise and Concessions Sales
- i. Merchandise and or sale items are permitted during performances. All concessions must be given prior approval by the Performing Arts Director. All concessions must take place inside the lobby area. No food or drink is allowed to be sold or allowed inside the theater space.

Basic Theater Safety Rules

(post backstage and in prominent areas)

- No adult = no activity
- Training required for access to control booth, catwalks, and upstairs areas including tension grid.
- No liquids near sound, light, or electrical equipment. No food or drink in any theater area.
- Keep all exit routes clear. Sound alarm in case of a fire.
- Report any lost, broken, or malfunctioning equipment to a teacher or adult supervisor. Do not use items that do not work properly.
- Stay alert to problems with curtains, cables, and equipment nearby.
- No "horseplay!" Do not run or mess around in the theater. Be responsible and respectful of the space. Use tools properly.
- Leaving? Clean up after yourself. Check for any lost and found items. Leave things tidy and safe. Make sure all doors to the theater are locked.
